WELCOME!

Welcome to the Glacier Art Museum's 2nd annual **Benefit Gala + Art Auction, May 8, 2026**. We are thrilled to present recent works for sale by over 30 invited artists from across Montana! This year's Gala theme, "Glacier Starry Night" was inspired by both the iconic Vincent Van Gogh painting, *Starry Night*, and Glacier National Park's beautiful night skies. All of the artworks were hand-selected and reflect the diversity and beauty of our region, as well as the talented artists who created these original works; there's a story behind each one!

A handful of these works will be selected for the LIVE AUCTION with auctioneer Bo Carpenter at 7pm. All other works will be in our Silent Auction from 5-6:30 PM. There is NO BUYERS PREMIUM FEE to bid. PLUS, all the proceeds from this benefit sale and event support the museum's 57 year mission to amplify arts, culture, and creativity for our community through quality programs, exhibits, collections, events, and arts education as well as the artists.

Thank you to our artists, donors, sponsors, and collaborators, and to YOU, for attending and supporting the arts. We hope you will go home with a new unique art treasure to appreciate and enjoy for generations!

- Alyssa Cordova, Executive Director + Alisha Shilling Board Chair
